How the game works

1 Stick the poster up at your place of work- in the staff room, kitchen, or in the office.

2 Players are asked to pay £2 in return for choosing the boxing glove of their choice and write their name and contact number.

3 Once the game is full, cut out the 50 boxers' names, place them in a hat or bowl and draw one out at random to decide who won the match. The participant who chose the correct boxer is the winner! The winning prize can be a percentage of money raised from the game or a non-monetary prize of your choice.

Please pay your £2 to the organiser.

To the organiser: please pay in any money raised received to your JustGiving page. Please note this will NOT be eligible for Gift Aid.
